

STATE CONSTRUCTION INDUSTRY LICENSING BOARD
DIVISION OF LOW-VOLTAGE CONTRACTORS

INSTRUCTIONS TO APPLY FOR
LOW-VOLTAGE CONTRACTORS LICENSE

Based on Out of State Examination

Please read these instructions carefully before completing your applications. Type or hand print your application.

Under Board Rule 121-2-.05, Statewide License by Endorsement, the Division of Low-voltage Contractors may accept results of approved out of state examinations for licensure. The Board has approved:

- (1) The examinations for Unlimited or Low-voltage classifications administered by the North Carolina State Board of Examiners of Electrical Contractors; and
- (2) the following examinations administered by the Florida Electrical Contractors Licensing Board:
 - (a) The Florida Certified Unlimited Electrical Contractor or the Florida Alarm System Contractor I examination, if applying for Georgia Unrestricted Low Voltage Contractor License;
 - (b) The Florida Alarm System Contractor II examination, if applying for Georgia Low-voltage Alarm Contractor license;
 - (c) The Florida Low-voltage Specialty Contractor examination, if applying for Georgia Low-voltage Telecommunications Contractor license; and
 - (d) The Florida Low-voltage Specialty Contractor examination, if applying for Georgia Low-voltage General Contractor license.

Persons applying for Georgia license based on these examinations must also meet the experience and other requirements for Georgia license.

To apply, complete the license application form as instructed. In addition, a certification from the North Carolina or Florida Licensing Board must be submitted. The certification must state that the applicant holds a current license and has passed the examination. **The application fee of \$30.00 must be submitted with the application.** The examination scheduling form and examination fee are not required for application based on out of state examination.
